

Visions: Number 2 in series (Cainsville)

Olivia Jones is smart, capable, loyal... and the daughter of convicted serial killers. Taking refuge in the mysterious town of Cainsville, she is busy investigating her parents case. But when the body of a missing girl is dumped in her car, she is forced to change tack. Trouble is, theres only one person who can help her - the charismatic, morally ambiguous lawyer Gabriel Walsh. The one man she has sworn never to trust again. Gabriel and Olivia are convinced that the killer is still at large in Cainsville. But secrets have a habit of staying buried in this eerily friendly town. And digging too deep has deadly consequences... A twisting and atmospheric standalone thriller, Visions is also book two in Kelley Armstrongs Cainsville series.
