

## The Crossroads

Thousands of depressed little towns, villages and hamlets dot the vast plain where Cristiano Zena lives with his hard-drinking father, Rino. Unfocused urban sprawl with no centre to look to and nothing to look forward to. Rino Zena and his cronies, Danilo and Quattro Formaggi, are planning a ram raid on an ATM, using a converted tractor. The wary, adoring Cristiano sits in on their meetings, watching their half-baked plans unravel, and thinks about the unattainable Fabiana Ponticelli. He has no idea that something very, very bad is about to happen. Or that it will change his life forever....
