

## Independence Day #3 War in Desert (Independence Day, 4)

It is the Fourth of July. Reeling from the enemy onslaught, a few surviving military pilots gather in the Saudi Arabian desert. Two of the best fliers, flight instructors Reg and Faisal, self-appointed leaders of the Saudi Forces, can barely contain their animosity when a message from the Americans forces them to unite. A weak point has been found in the alien City Destroyers. The air war against them was costly--but it worked!...Or did it? Too late, Reg and Faisal discover their victory was an illusion--part of a secret ambush that will open the planet to unimaginable horror, unless these overmatched warriors from several Middle Eastern nations can overcome long-standing hatreds and unite against the aliens in the fiercest hand-to-hand combat of the war. Capturing the spectacular action of the blockbuster Twentieth Century Fox film, this authorized novel adds exciting new material to the ID4 story!
