

On the Brink 4: TechnoThriller Military Action. Boots on the Ground. (War With Iran)

TechnoThriller Military Action in Southern Iran Updated and Reformatted 05/18/14. Much of the technothriller action takes place on Iran's Qeshm Island, a 135 mile long by up to 40 mile wide Island near Iran's southern coast which guards the entrance to the Strait of Hormuz. The widely varied topography of Qeshm Island gives a good indication as how difficult an invasion of Iran would be against an enemy that would stop at nothing to defend their country. This military action adventure novel explores war from the viewpoints of the politicians who cause it and American military and families most affected. No viewpoint is pretty. Modern warfare is violent and deadly. The introduction of nuclear weapons is a curse upon all. Through the eyes of a Marine military family the war is visualized as one that would profoundly affect most Americans. The military and their families would suffer most. On the Brink Series is Thought Provoking Full of Action Scenes Explores Politics Surrounding War Looks at War From Different Points of View Has Good Fun Putting Words Into Mouths of World Leaders (Fiction) Fiction But Supported by Today's Headlines Fast Paced Action Battle Scenes Balanced by Human Face to War. Military action thriller explores family relationships and difficulties faced by military families.. Scroll up and grab a copy today..
