These 42 well-planned tours, which range in length from 5 to 46 miles, are as unique as the territory they cover. Each ride has been carefully selected to insure maximum enjoyment and variety. A few of the routes include: **Tacomans Port Defiance Park, a 700-acre preserve offering spectacular views of Dalco Passage, Vashon Island, Gig Harbor, and the Tacoma Narrows Bridge; **the beautiful Zabels Rhododendron gardens, one of the many natural sites along the Boston Harbor route in Olympia; **lush vineyards scattered throughout Kittitas County that are open for tours or wine tasting; and **the challenging maze of roads that cover Anderson Island, a remote island accessible only by ferry. Each ride includes precise directions, excellent route maps, and vivid descriptions of the points of interest you can see and visit during your trek. For longer tours, the author offers lodging and restaurant information, which will assure that nothing is left to change after an exciting day of riding.
