

Werewolf Academy Book 1: Strays

If you love werewolves, paranormal, and looking for a book like House of Night or Vampire Academy this is it! YA for sure.- Reviewer for Sweets Books I got this book from a giveaway, and its one of the coolest books I have ever read. If you love Hogwarts, and Vampire Academy, or basically anything that has got to do with supernatural people studying, this is the book for you.- Maryam Dinzly This series is truly a work of art, sucked in immediately and permanently. The first line and you are in the book. Cheree Alsop is a gifted writer, all of her books are my complete favorites!! This series has to be my absolute favorite, Alex is truly a wonderful character who I so wish was real so I can meet him and thank him. Once you pick this book up you wont put it down till its finished. A must read!!!! - BookWolf Brianna Cheree does it again with the first in her new series Werewolf Academy. Once you start reading you cant put it down. Love the Heroes and Despise the Villains. Her details and your imagination puts you right in the action of the story. Download and Enjoy!! Doughgirl61- Amazon Reviewer This new series follows young werewolves sent to a protected boarding school to keep them safe from werewolf hunters. Excellent worldbuilding, well-fleshed characters, and intricate plots - looking forward to more! Winged Wolf- Amazon Reviewer Listed with Silver Moon as the top most emotional of Cherees books, I loved Instinct for its raw truth about the pain, the heartbreak, and the guilt that Alex fights.- Loren Weaver Great story. Loaded with adventure at every turn. Cant wait till the next book. Very enjoyable, light reading. I would recommend to all young and old readers. Sharon Klein Werewolves are struggling to survive. Jaze and those who remain of his pack build an Academy to protect the children who endured the genocide. Alex and Cassie arrive as orphans after losing

everyone they love. The twins find themselves in a new world where they have to survive the politics and dangers of being a werewolf in a world that wants them destroyed. But outside forces have found them. Can Alex protect his sister and survive the attacks of a man who wants them dead and will stop at nothing to see it happen?
