

## The Holiday

A long summer holiday on the beautiful island of Corfu is just what Izzy Jordan needs, but is she prepared for the romance and drama? From the SUNDAY TIMES bestselling author of SUMMER AT THE LAKE Torn between struggling to live up to the expectations of being a Modern Woman and ridding herself of the effect of a repressed upbringing, Izzy Jordan would be the first to admit that its time to take stock of her life. Shes thirty-one, with a teaching career on the skids - not surprising, really, given that she harbours a strong desire to lock her pupils in the art room cupboard and throw away the key. She also has a manipulative mother and an ex-boyfriend whose parting shot was to tell her she was boring in bed! So when shes invited to spend the summer on Corfu and is offered the chance of a no-strings holiday romance with the irresistible Theo, what should she do? Go for it, or listen to the voice of Modern Woman and tell him to sling his hook? Just as she thinks shes made up her mind, along comes Mark, whose turbulent past sets in motion a series of dramatic events...
