

Always

A new university, a fresh start, and no falling in love. After a freshman year from hell, Juliet Stowes heart is in a million pieces. She transfers to a new school, determined to leave the past behind. But when shes paired up with Lucas McNamara, the boy next door all deliciously grown up, she knows shes in trouble. Back then she didnt understand why her mother, who used to work for Lucas family, told her not to get attached. But they were inseparable--until her mother was fired because the McNamaras dont mix with the help. He never thought hed see her again... Lucas McNamara knew there was something familiar about his biology partner and is floored when it hits him. Shes Julie--the barefoot beauty who was unlike any girl hed ever met then or since. While years have passed and hes far from the carefree kid that Juliet once knew, one thing remains the same. He wants her. Hes always wanted her--but hes the heir to the McNamara multi-million dollar empire and his family is hell bent on keeping them apart.
