

Why Grizzly Bears Should Wear Underpants (The Oatmeal)

Matthew Inman's first collection of *The Oatmeal* spent six weeks on the New York Times bestseller list and sold 200,000 copies. This pivotal and influential comic collection titled *5 Very Good Reasons to Punch a Dolphin in the Mouth* introduced Samurai sword-wielding kittens and informed us on how to tell if a velociraptor is having pre-marital sex. Matthews cat-themed collection *How to Tell If Your Cat Is Plotting to Kill You* is a #1 New York Times bestseller with more than half a million copies in print. Now with *Why Grizzly Bears Should Wear Underpants*, Inman offers a delicious, tantalizing follow-up featuring all new material that has been posted on the site since the publication of the first book plus never-before-seen comics that have not appeared anywhere. As with every Oatmeal collection, there is a pull-out poster at the back of the book. In this second collection of over 50 comics, you'll be treated to the hilarity of *The Crap We Put Up with Getting On and Off an Airplane*, *Why Captain Higgins Is My Favorite Parasitic Flatworm*, *This Is How I Feel about Buying Apps*, *6 Things You Really Don't Need to Take a Photo of*, and much more. Along with lambasting the latest culture crazes, Inman serves up recurrent themes such as foodstuffs, holidays, e-mail, as well as technological, news-of-the-day, and his snarky yet informative comics on grammar and usage. Online and in print, *The Oatmeal* delivers brilliant, irreverent comic hilarity.
