

Girl Crush

Kerrigan Marks has been in love with her boss from the first day of her job, she just hasn't known it. Only problem is, he's taken and he doesn't even notice her. His model-like girlfriend, with her blond hair, crystal blue eyes and legs that go on for days, is the only person that catches his attention. So why would he notice me? I'm the plain Jane, the girl everyone passes by without a second glance. I'm the girl who wants to be the model girlfriend, the one who gets a second and third glance. I WANT IT ALL. But what happens when I get what I want? No matter how much I thought I knew. I WAS WRONG. NOTHING IS AS IT SEEMS. NOTHING AT ALL.
