

## Windows of Character & Style - Stained Glass (Studio Designer Series)

Chuck Franklin established his glass studio in 1974 and was at the cutting edge of the modern stained glass movement in North America. The portfolio presented in this book centres on the studios wide-ranging glass creations for discerning homeowners, churches, and commercial applications. Their extensive work for the McCormick & Schmicks restaurant chain alone features enormous domed ceilings, elaborate light sculptures and comprehensive landscape windows. The book contains over 140 colour photos of stained glass creations illustrating the essential design elements of balance, colour, and movement. Leafing through these pages will provide unlimited inspiration for art glass projects of your own. This book is invaluable for: builders; architects; glass artists; interior designers and anyone interested in stained glass art and design.
