

Windows of North America - Stained Glass (Studio Designer Series)

Windows of North America from Wardell Publications stained glass introduces 9 renowned art glass studios located throughout the USA and Canada. Each art glass studio is featured in an eight page layout presenting a total of 96 color photographs of spectacular installations and 48 detailed artist proposal drawings. We invite you to take note of the locality for each studio and as you page through this book you will undoubtedly recognize some of the regional impact on their designs. The work showcased in this collection is only a representative sampling of the brilliant art glass that is being created in North America today.
