

Winter Chill (A Scobie Malone story)

From the award-winning Jon Cleary, a novel featuring Sydney detective Scobie Malone. Concluding the acclaimed Four Seasons tour of Sydneys urban underside, the latest Scobie Malone investigation introduces death winter chill to the Detective Inspectors own front door. 3.30a.m. The Sydney monorail performs its endless circuit like a pale metal caterpillar. All for the benefit of one dead passenger. Elsewhere in the citys bleak midwinter, Darling Harbour buzzes to the sound of one thousand American lawyers attending an international conference. And that means one thousand opinions as to who killed their president. Two bodies later, the Homicide Unit has lost one of its own. But establishing the connection is like trying to stick labels on a barrelful of eels. The more Detective Scobie Malone fillets the heart of the citys legal profession, the more he cuts into an intrigue of international proportions
