Thank you for your support. A Christmas novella. All Tess OMalley wants is a family of her own. To find the one made just for her. Surely thats not too much to ask? Is it? Maybe the one shes looking for is standing right in front of her. All Burke Nason wants is Tess. He hasnt wanted to jeopardize their friendship by making a move. Maybe its time to change all that. Will Burke and Tess get it together in time for Christmas? Of course they bloody will!

It is a Christmas story after all. This novella contains a romantic heroine, a gentle giant hero and a whole lot of charm. There is one steamy scene that might offend those who dislike hot and passionate sex.
