

Witches on the Road Tonight

By the best-selling author of *The Dress Lodger*, Sheri Holman's new and most ambitious novel to date, *Witches on the Road Tonight*, uncovers the secrets and lies that echo through three generations of one Appalachian family. It is a deeply human, urgent exploration of America's doomed love affair with fear. On the eve of World War II, eight-year-old Eddie Alley lies in bed watching his first horror movie, hand-cranked and flickering on the bare wall of a backwoods cabin. In 2011, Eddie's daughter, Wallis, an anchorwoman for a twenty-four-hour news channel, lies in bed with a stranger, spinning ghost stories. Between these two nights winds the story of the Alley family: Eddie's mother, Cora, an Appalachian mountain witch who slips out of her skin after nightfall; Captain Casket, Eddie's alter ego, a campy 1970s TV horror-movie host; and Jasper, the orphaned boy Eddie brings home, who is determined to destroy Eddie's illusions even if it means destroying himself. Deftly moving from the rural, Depression-era South to modern New York City, Holman teases out the dark compulsions and desperate longings that can blur the line between love and betrayal. *Witches on the Road Tonight* is an unflinching story that digs at the roots of myth—both familial and societal—and beautifully renders our perpetual yearning to make sense of the past in our present.
