

## Witness (Witness, Book 1)

### BETTER WATCH YOUR BACK

This is the first book in a 2-book series by bestselling author Christine Kersey. College student Courtney Hartford's worries are confined to doing well in school and having an active social life. That is, until she witnesses a murder. And then recognizes the murderer. His warning not to tell, coupled with his threat against her life and the life of her mother, pushes her to make a difficult decision--tell the police the truth, or let the people who are threatening her control her life. Witness does not contain any profanity or sexual content.
