

## Yol

En çok okunan yazarlardan olan Jack London, denizcilik, altın arayıcılığı, gazetecilik gibi işler yapmıştır. Ona asıl ün kazandıran da bu serseri doğası, serüven düşkünlüğü ve bunlarla beslenen yazarlığı olmuştur. Kendi yaşam öyküsünden izler taşıyan Yol adlı kitabı avarece bir hayat sürdüğü zamanların tanıklıklarından biridir. Butun Amerika kıtasını kaçak binilen trenlerle geçip, açlıkla, soğukla boğuşup dilencilik ederek geçen ıpsızların bir tabloya yakışacak kadar canlı renklerle süslenip işlendiği bir Yolu anlatan bu kitap, yazarı tanımak, bir olgu olan serseriliği çözümlemek için de başvuru kaynağı olacak niteliktedir.
