

You Again: A Shelter Bay novella

New York Times bestselling author JoAnn Ross returns to Shelter Bay with a new holiday novella, YOU AGAIN. A book nerd, a brainiac science guy, and a misplaced killer whale... Meghann Quinn wasn't always a hugely successful author. Adam Wayne wasn't always a marine biologist studying whales. Back in high school in Shelter Bay, Oregon, she was the shy book nerd helping the brainiac science guy pass English. Meghann had no idea Adam would turn into such a hottie. Adam has no idea their once-upon-a-time sweet summer romance inspired Meghann's popular teen novels. Two shy geeks didn't have the courage to share their true feelings back then. But now that Meghann's back in town, they're pondering life's important questions. Such as, will Adam ask her to the Snow Ball? And what are they going to do about the lost Orca who shows up on Christmas Eve? And can two nerds get past their initial insecurity to take a second chance on a once-in-a-lifetime love? You Again also will appear in a Home for Christmas Duet with Jessica Scott.
